

**WARRANTY INFORMATION**

The following warranty conditions apply to first quality Mannington Commercial iCORE flooring when installed in commercial applications in accordance with the current Mannington Professional Installation Guide.

**LIMITED 10-YEAR COMMERCIAL WARRANTY ON MANNINGTON ADVANCED COMPOSITE FLOORING.** Mannington warrants from the date of original installation, that for ten (10) years of commercial use, iCORE planks (“planks”) will be free of manufacturing defects and will not fade under artificial light or sunlight, stain, or show wear through the image layer, and will resist wear damage under normal conditions. A plank that does not perform as stated will be repaired to conform to this warranty. If repair is not commercially practical, Mannington will replace the plank with the same style product, if it is still available, or with a comparable product from the current running line. Replacement plank(s) under warranty will be provided at no charge to the end user. If the floor was installed by a professional flooring contractor hired by you, Mannington will also cover reasonable labor costs for installation of replacement planks.

**iCORE PRE-INSTALLATION WARRANTY**

We will guarantee your satisfaction with each iCORE plank. Should any iCORE plank not meet your satisfaction because of a visual defect, simply return it to your Mannington flooring contractor, PRIOR TO INSTALLATION, for a replacement.

**WARRANTY CONDITIONS**

**IMPORTANT NOTICE:** This warranty does not cover defects or damage to iCORE planks caused by (i) installation or maintenance that does not comply strictly with the instructions set forth in the Mannington Professional Installation Guide, and Care & Maintenance Instructions, (ii) abuse (e.g. abrasives like steel wool to scour the floor, sliding heavy objects across the floor without proper protection), (iii) severe accidents (e.g. fire, burns), or (iv) loss of gloss or build-up due to lack of or improper maintenance. This warranty covers water damage from normal use, excluding natural disasters.

This warranty applies only to the original purchaser and installation site(s) and is not transferable. This warranty is valid for commercial installations. Any area that receives replacement plank(s) must be cleared, at the consumer’s expense, of any equipment, furnishings, partitions, etc., that have been installed or put into place over the plank(s) subsequent to the original installation. This warranty does not cover planks installed with obvious visual defects and does not cover labor costs on any non-professionally installed material. This warranty is in lieu of all other express warranties. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

**INCIDENTAL OR CONSEQUENTIAL DAMAGES**

Under the terms of these limited warranties, Mannington will not be liable for indirect, special, incidental, consequential, or other damages of any kind, no matter what the cause. Some states do not allow the exclusion of incidental or consequential damages, so the exclusion in the preceding sentence may not apply to you.

**IMPLIED WARRANTIES**

There are no implied warranties, including merchantability and fitness for a particular purpose, extending beyond the terms of this written warranty. NOTE: Some states or provinces do not allow the exclusion or limitation of incidental or consequential damages, or limitations on how long an implied warranty lasts, so the above limitations may not apply to you. This warranty is in lieu of all other express warranties and gives you specific legal rights. You may also have other rights which vary from state to state or province to province in Canada.

**WARRANTY CLAIMS**

If there is a manufacturing defect, you must immediately provide written notice of such defect, together with proof of purchase to the flooring contractor from whom the floor was purchased. This notice must be received by the flooring contractor within the warranty period from the date of purchase. The flooring contractor will notify Mannington's Customer Care (888-673-2274) who will arrange inspection of the floor or review the complaint with the dealer. Should this inspection or review indicate an obligation on the part of Mannington, such obligation will be satisfied through your flooring contractor.
